## PARX RACING 08/27/24 Race No. 1

---

### TA Key Factors Report Definitions

Some Key Factors are not available for horses which have not previously raced (first time starters). In these cases an "N/A" will appear in the report rather than the factor value.

- Class** This represents how well a horse is suited for the class of race in which it is entered. A score of 100 indicates the horse is well suited for this class of race. A score greater than 100 indicates a drop in class for this race, a score below 100 indicates a jump in class for the in which it is entered.
- Distance** This represents how well a horse is suited for the distance of the race in which it is entered. A score of 100 indicates the horse is well suited for this distance. A score greater than 100 indicates it is extremely well suited for this distance, a score below 100 indicates the horse is not as well suited for a race of this distance.
- Speed** Thoroughbred Analytics' proprietary speed rating. Unlike standard industry speed ratings, this has been adjusted based on the distance of prior races. The higher the value, the faster the horse is generally. 100 represents performance at or closer to track ratings.
- Average Finish** The average number of lengths behind the winner where the horse finishes. The closer to 100, the better the horse usually races compared to the winner.
- Horses Passed** A measure of the number of horses passed during a race. A score above 50 indicates a horse usually passes other horses. A score below 50 indicates a horse is usually passed by other horses. The closer to 100, the more horses are passed by this horse during a race.
- Lengths Gained** A measure of the number of lengths the horse gained during previous races. A score above 80 indicates a horse usually gains on the leaders during a race. A score below 80 indicates a horse is usually loses lengths during a race. The closer to 100, the more lengths are gained during a race. The closer to 100, the more the horse improves their position from the leader during previous races.
- Workouts** A measure of the how the horse has been working out. This is a percent ranking of horses workout speed with all other horses The higher the value, the faster the horse's workouts are in relation to other horses.
- Jockey Rating** Jockey win, place and show records are compared to the average win, place and show records of yearly leaders over the past five years. A score of 100 indicates the jockey performs on par with the best jockeys in North America.
- Trainer Rating** Trainer win, place and show records are compared to the average win, place and show records of yearly leaders over the past five years. A score of 100 indicates this trainer performs on par with the best trainers in North America.
